GOSPEL REFLECTION – Mark 14:1-15:47

The theme of the suffering servant prevails throughout the Gospel of Mark. Jesus does not desire to be known through miracles and healing. Instead, his true identity is revealed through his oneness with humanity, most profoundly witnessed in his relationship with the suffering and persecuted of the world… It is the cross that most blatantly reveals the death blowing consequences of our inability to set down self-centered behaviors of destruction and live-in right relationship of covenant life. Through the stark reality of the cross Jesus invites us to choose eternal life. With open arms he welcomes us to rise above the forces of death, in forgiveness and love, to follow him as disciples of life.

1. There are many characters in the passion account of Mark including: Pilate, Judas the high priest, bystanders, women from a distance, the disciples and the centurion at foot of the cross to name but a few. Which of these characters do you identify with? Why? How do you think this identification might deepen your experience of Holy Week?
2. At the Last Supper Jesus offers his entire life, all of who he is, as the way of discipleship. He offers his life as the means to follow him into the fullness of right relationship with all of creation. How do you respond to this invitation?
3. After a triumphal entry into Jerusalem, Jesus is totally rejected and abandoned by everyone, even his closest friends. What has been your experience of failure, rejection or abandonment?
4. My God, my God, why have you forsaken me? When have you felt forsaken by God? What gives you hope?

CHRISM MASS

The diocesan Chrism Mass will be held at 7:00 p.m. Monday, March 29, live-streamed on https://saskatoonmass.com and on the diocesan YouTube Channel at https://www.youtube.com/user/saskatoondiocese Please note that in-person attendance at the Chrism Mass is again restricted to priests and designated parish representatives because of number restrictions related to COVID-19 public health orders. During the Chrism Mass the priests of the diocese will renew their commitment to priestly ministry. The Oil of the Sick, Oil of the Catechumens, and Sacred Chrism will be blessed by Bishop Mark Hagemoen and then taken back by the designated parish representatives to their respective parishes to be used in the celebration of sacraments throughout the year. More information about these blessed oils:

- Oil of Catechumens (OC): This oil, sometimes referred to as Oil of Salvation, is used to anoint the catechumens (infants and unbaptized converts to the Church) in preparation for their initiation into the Church. The prayer accompanying this anointing expresses the desire that Christ strengthen the person being anointed. This oil is also used in celebration of the baptism of children. It is a sign of belonging: marking us as members of the Body of Christ.
- Oil of the Sick (OS): This oil is used in the Anointing of the Sick. The prayer accompanying this anointing is: "Through this holy anointing, may the Lord in his love and mercy help you with the grace of the Holy spirit. May the Lord who frees you from sin save you and raise you up." This oil is used to bring comfort and support to the sick in their infirmity. The celebrating of the sacrament of the Anointing of the Sick is a ritual moment that makes visible and present to the sick and the whole community who we are as Church: a community of healing and support.
- Sacred Chrism (SC): This oil includes a sweet-smelling perfume or balsam, added during the blessing prayers at the Chrism Mass. Sacred Chrism is used at the celebration of baptism, confirmation, the ordination of priests and bishops, and for the dedication of churches and altars. t is also used in the blessing of bells and sacred vessels. Anointing with this oil implies abundance of grace and dedicated service to God. The word Christ means "anointed one." So being anointed with oil is a sign of the special and strengthening presence of Christ, the Anointed One
