FOCUSING THE GOSPEL - Matthew 10:26-33

If last Sunday's discourse contained practical instructions, this Sunday's passage focuses on the inner attitudes required of those who are sent out in mission of the Good News. The threefold reference to fear indicates that there certainly was fear among the disciples that this whole divine adventure would be for naught, that worldly powers would kill it before it had a chance to flourish. However, once fear has been conquered, courageous witnessing follows, and Jesus himself will intercede before God for all disciples in all time and place.

1. When are you afraid to proclaim your faith in Jesus?
2. What are the most consoling messages in today's Gospel for you?
3. What part of the reading do you find most difficult?

THE SISTERS OF MISSION SERVICE CELEBRATE 75 YEARS

The Sisters of Mission Service once served in your parish community. In July 2026 the Sisters celebrate 75 years of their founding. As a final honour to them we are gathering a memory of their time in service to your community, a note of gratitude, or any messages that you think would honour their time with you. They strived to live the values of respect for life, simplicity, compassion, hospitality, joy and enthusiasm: how did your community experience those values from the SMS? Please email me: mmartineau@crs-src.org to share your words for them! Much thanks!

BACKGROUND - This year the Missionary Oblates of Mary Immaculate are celebrating a significant milestone: 200 years ago, Pope Leo XI gave the Church's approval to a Rule of Life for a small group of men who were intent on making known the gospel to those who had been abandoned by the institutional Church at the time. Inspired by St. Eugene de Mazenod, this small group set out to share the gospel not only in Southern France but wherever there was great need. In December 1841, two Oblate brothers and two Oblate priests arrived in Montreal. They were joined by countless others and were instrumental in helping to establish the Church in Canada. Many of the dioceses in Western and Northern Canada were established through the work of the Missionary Oblates and their collaborators.
